Programs and Services:

Domestic Violence: Advocates provide information on domestic violence and options available to victims in Lucas, Wood and Ottawa Counties. Advocates accompany victims to court, assist with safety planning and link victims to other community resources.

Help Me Grow: A home visitation program designed to assist families who are expecting a baby or have children up to age three. Service Coordinators help parents build a positive, healthy and safe home for their children by helping parents understand their child's development, provide practical parenting information, and identifying other community resources.

Children's Advocacy Center: A child friendly site where professionals conduct joint investigative interviews of child abuse victims. Crisis counseling, family advocacy and court preparation services are available for child victims and their families.

Children Who Witness Violence: Children who have witnessed violence receive in-home crisis intervention services. The goal of the program is to help children overcome the trauma of violence and to minimize the effects of exposure to violence.

CAPP/SAPP: The Child Abuse Prevention Program and Sexual Abuse Prevention Program are school based programs designed to help students recognize dangerous and abusive situations and how to seek help from trusted adults.

DELTA Project: A cooperative community collaboration dedicated to addressing the key issues related to violence and creating meaningful and lasting changes throughout the community that lead to peaceful, healthy relationships.

Barbe Limpert, one of FCAPC's Ottawa County DV Advocates receives the 2005 Light of Hope Award from the Ottawa County Prosecutor's Office.

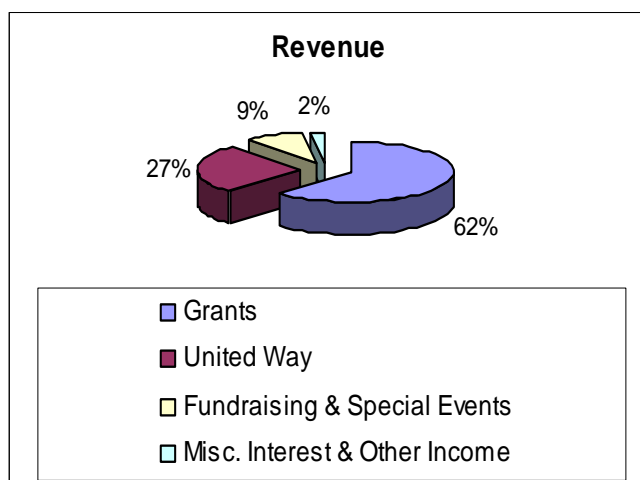

Sarah Corpening, CEO accepts a donation check from Bill Feniger, proceeds from the 2005 "Golf For A Kid" outing held on September 26th at Belmont Country

Fundraising events help provide the financial resources needed to support the work of the Family and Child Abuse Prevention Center. These events also provide us with an opportunity to inform the community about the Center's programs and services.

The Agency holds an annual Community Spring Luncheon, a Guest Wait Night and also benefits from the generosity of an annual "Golf For A Kid" outing hosted by Bill Feniger, Universal Metals. (See the photo on page 1)

Our 5th Annual Spring Luncheon was held on April 29, 2005. Pictured above are event chairs Susan Herring and Shelly Conyngham with speaker Dean Sparks, Executive Director of Lucas County Children Services and Sarah Corpening, FCAPC's Chief Executive Officer.

Guest Waiters Paul Devers (pictured left) and Tim & Sally Goligoski (below) entertained and served their guests at our 3rd Annual Guest Wait Night held at the Toledo Country Club.
