**Programs and Services:**

**Domestic Violence:** Advocates provide information on domestic violence and options available to victims in Lucas, Wood and Ottawa Counties. Advocates accompany victims to court, assist with safety planning and link victims to other community resources.

**Help Me Grow:** A home visitation program designed to assist families who are expecting a baby or have children up to age three. Service Coordinators help parents build a positive, healthy and safe home for their children by helping parents understand their child's development, provide practical parenting information, and identifying other community resources.

**Children's Advocacy Center:** A child friendly site where professionals conduct joint investigative interviews of child abuse victims. Crisis counseling, family advocacy and court preparation services are available for child victims and their families.

**Children Who Witness Violence:** Children who have witnessed violence receive in-home crisis intervention services. The goal of the program is to help children overcome the trauma of violence and to minimize the effects of exposure to violence.

**CAPP/SAPP:** The Child Abuse Prevention Program and Sexual Abuse Prevention Program are school based programs designed to help students recognize dangerous and abusive situations and how to seek help from trusted adults.

**DELTA Project:** A cooperative community collaboration dedicated to addressing the key issues related to violence and creating meaningful and lasting changes throughout the community that lead to peaceful, healthy relationships.

Fundraising events help provide the financial resources needed to support the mission of the Family and Child Abuse Prevention Center. These events also provide us with an opportunity to inform the community about the Center's programs and services.

The 2006 Golf For A Kid was a huge success, raising \$24,000. 32 foursomes spent a great day at Belmont County Club. The day included golf with 2004 NFL Hall of Fame Inductee, Carl Eller, dinner emceed by 13ABC Action News Sports Director Rob Powers, a live auction and raffle.

We are so grateful to Bill Feniger, Universal Metals LLC, and his organizing committee for all their efforts.
